EDUCATION

Ira A. Fulton Schools of Engineering | Arizona State University, Tempe, AZ

May 2028

Bachelor of Science in Engineering | Mechanical Engineering

Awards:

- George Snow Scholarship Recipient | \$12,656 Dean's List 1X
- New American University Scholarship | FULL HMDP ASU Grad

PROFESSIONAL EXPERIENCE

Events Committee Member | ALPFA, ASU Chapter, Tempe, AZ

September 2025 – December 2025

- Collaborate with a team of student leaders to plan out and effectively execute 2 weekly events, including professional development meetings on Tuesdays and social engagement activities on Thursdays.
- Assist in the coordination of the logistics of promotional events, on a weekly basis, aimed at strengthening community and member engagement among 300+ members on campus.
- Contribute to weekly committee meetings to discuss, design, and create programming that promotes networking, leadership development, and cultural connections.
- Build strong communication and teamwork skills by partnering with 10+ community members to deliver cost-effective, consistent, high-quality events.

Cashier/Customer Service | Walmart, Phoenix, AZ

May 2024 – August 2024

- Processed an average of 100+ transactions per shift, maintaining 100% cash drawer accuracy and compliance with cash handling policies, all while offering excellent customer service.
- Provided customer support and aid to 30-50 shoppers daily, resolving questions and concerns to deliver a positive in-store experience and repeat visits.
- Trained and mentored 3 new cashiers on the point of sale system, customer service expectations, and store policies to fast-track the Walmart onboarding process for new employees.
- Maintained strong knowledge of products across multiple departments, allowing customers to make informed decisions, increasing overall sales by 3% on average.

Cashier/Customer Service | Burlington Coat Factory, Phoenix, AZ

May 2023 – July 2023

- Facilitated the checkout for 100 customers a day, processing payments, layaways, and returns with accuracy
- Delivered professional customer service to 12+ customers daily, ensuring accurate resolutions to common problems on the sales floor.
- Supported store operations by assisting with merchandising and inventory checks, contributing to a 10% improvement in overall checkout effectiveness during peak hours.

LEADERSHIP EXPERIENCE:

Engineering Team Lead | Arizona State University, Tempe, AZ

August 2024 – November 2024

- Directed a team of 4 students on engineering design challenges and delegated tasks, resulting in high-quality final projects and presentations.
- Guided project planning and prototyping, including complex circuit design and coding in C++
- Optimized team workflows by assigning roles based on members' competencies and strengths.

Lab Team Leader | Physics & Chemistry Labs, Arizona State University, Tempe, AZ

August 2024 – November 2024

- Led group-based physics and chemistry experiments, coordinating tasks and responsibilities within the lab group.
- Supervised data collection and analysis, achieving results with less than a 5% experimental error in various trials.
- Maximized teamwork by promoting collaboration, enhancing efficiency, and improving overall lab performance.

SKILLS

Technical & Analytical: SOLIDWORKS, MATLAB, C++, Arduino, CAD Modeling, Mechanical Design, Engineering Drawings, Technical Documentation, Circuit Design, Electrical Wiring, Breadboarding, Op-Amp Circuits, Lab Instrumentation, Engineering Problem Solving, Data Analysis, Prototyping, 3D Printing, Microsoft Excel, Microsoft Office.

Leadership & Professional: Project Leadership, Cross-Functional Teamwork, Workflow Optimization, Time Management, Adaptability, and Attention to Detail.

Communication & Collaboration: Technical Presentations, Technical Communication, Team Collaboration, Event Coordination, Bilingual (English & Spanish).
